Wellness Policy Assessment Tool

Form 357 Rev 12/15

This template provides information on wellness policy goals and practices within the LEA. Use this tool to track progress and gather ideas on ways to create a healthier school environment. A separate assessment should be completed for each school or at a minimum, each school level. The wellness policy and completed assessment must be available to the public.

VII. Progress Report:

Indicate any additional wellness practices and/or future goals and describe progress made in attaining the goals of the local wellness policy

Holdrum Middle School is united in our belief that educating the Whole Student is vital for student learning and growth. Mindfulness strategies are implemented to help foster a safe and caring environment that values the unique passions of each student. Future goals include further developing our Wellness Day program, continuing with the Educate 2 Be program, promoting healthy decisions through comprehensive Physical, and Health, Education, and enriching learning experiences through student collaboration, communication, critical thinking and creativity.
