

Library Volunteers Needed!

Looking for an easy way to volunteer at your child's school? Even if you have 30 minutes a week or a month, you can be used in the library! The schedule is *flexible* and time commitments vary, making this job something that fits many parents' and grandparents' schedules.

The Maple Grove library welcomes any and all volunteers to help with library tasks, displays/projects, book processing, and more. Volunteers are instrumental in helping the library run smoothly.

No training necessary! You can sign up to work when your child's class is in the library or any time. Please contact Dawn Moore at dawnhoeckele@hotmail.com for questions.

Please fill out the bottom portion of this page and return to your child's classroom.
