(EVEN NOW)***  
**Class of 2022 School Motto**

**Important Announcement**

Family and Friends of Liberty Common School,

On Friday/15 October 2021, Larimer County Public Health Director **Tom Gonzales** mandated Larimer County's Ninth Public Health Order. The public health order will be in effect as of Wednesday/20 October 2021 and until such time as Mr. Gonzales deems that the county has met criteria designated by him. The centerpiece of this most recent edict is a countywide requirement for the wearing of face coverings in all public indoor spaces by residents older than two years of age. Limited exemptions from the mandated wearing of masks include exceptions for those residents who "medically cannot tolerate a face covering." If your student falls into this category, please complete a parental directive [CLICK HERE](#) and provide it to the applicable LCS/LCHS Front Office, so that our staff has a copy of your directive on-file. We also recommend that your student carry a paper copy of this form identifying his/her exemption when the student is conducting activities in non-school public indoor spaces.

As the result of this new mandate, please have your students bring a mask to school daily beginning Wed/20 October 2021. Also, please remember that the requirement to wear masks on public transportation, including school buses, is a federal mandate versus a Larimer County mandate. The wearing of masks is still required for all transportation on Liberty Common School school buses until the federal mandate is lifted.

Questions, comments, or concerns regarding the public health order should be directed to Larimer Public County Health Director Tom Gonzales by [CLICKING HERE](#).

Sincerely,

## **Liberty Common High School**
