### **DHS Activities**

- Band (Drums)
- Basketball
- Softball
- Yearbook

## **Kathy Brosnahan (Downs)**

### **Class of 1981**

#### **Favorite Memories of DHS**

“Having winning seasons in basketball and making it to districts every year, and our senior class trip to Montreal”.

#### **How did Douglas High School prepare you for the future?**

“The teachers/coaches here at DHS have always been a strong group of leaders who prepared me to not only know Science, History, Math and English, but how to grow as a person and take on the world outside of Douglas. It was the dedication of my teachers and also my involvement in sports and activities that helped prepare me to move on from high school and to be able to succeed in college and life”.

#### **What advice would you give to current DHS students?**

“Enjoy every moment of high school because it goes by much too fast. Get involved in as many activities and sports as you can. And step outside of your comfort zone; it will make you a stronger person in the long run.”
