What is your favorite memory of DHS?

“My favorite DHS memory is going to Disney with my senior class. There’s nothing like celebrating becoming an adult in the happiest and most magical place on earth!”

How did Douglas High School prepare you for the future?

“DHS helped by getting me on the right track for college and by helping me choose the right college and career path for me.”

What advice would you give to current DHS students?

“Don’t be afraid to be yourself! You’ll feel 100 times better when you’re true to who you are vs pretending to be someone you’re not, but don’t lose track of your values”.
