Favorite Memories of DHS

"It's a tie: Winning Mr. DHS and scoring the game winning goal at homecoming vs. Sutton senior year."

How did Douglas High School prepare you for the future?

"DHS allowed me to build the relationships with friends and colleagues that would last a lifetime."

What advice would you give to current DHS students?

"Don't worry about figuring out what you want to do with your life. It takes a lot of trial and error. And don't be afraid to fail! Failures often lead you in the right direction."
