**RE: Accident Insurance Protection for Students**

Dear Parents/Guardians:

The River Vale Board of Education will be offering student accident insurance through BMI Benefits, LLC/Bob McCloskey Insurance for the 2022-2023 school year. This optional coverage will provide accidental medical and/or dental expense benefits to any accidentally injured student.

Parents may choose to purchase either one or both of the following supplemental coverage plans:

1. \$500,000 Around-the-Clock 24-Hour Accident Coverage
2. \$50,000 Student Accident Dental Coverage

Please refer to the Brochure detailing the description and annual costs of the plans, as well as Enrollment Forms which are also available through the district website. Parents who wish to purchase these additional optional coverages must complete the Enrollment Form and return it to the Business Office, along with a check or money order payable to "Bob McCloskey Insurance" no later than September 30, 2022.

In the event of an injury, a Student Accident Claim Form packet may be obtained from the School Nurse's office and must be returned to the Business Office once completed. Please be aware that all injuries are required to be reported to Bob McCloskey Insurance within **ninety (90) days** of the date of the injury. Detailed instructions on filing a claim are included in the Brochure.

Should you have questions or require further clarification, please do not hesitate to contact me.

Thank you.
