August 2021

Dear Bryant Families,

Welcome back to school, we hope you had an amazing summer! Our summer at Bryant has been a busy one with our summer school learning experiences and our final steps of cleaning and polishing the building for the arrival of our students on September 1st. At Bryant, our mission and vision guide our daily practices with the end result of high levels of learning for all.

Mission:

At Bryant Elementary School we ensure all students have the knowledge and skills for living, learning, and working successfully.

Vision:

At Bryant Elementary School we believe that working collaboratively as a learning community is the most promising strategy for ensuring all students learn at a high level to fulfill the mission of our school.

BRYANT ELEMENTARY OPEN HOUSE

Our staff has created an exciting open house to get your child off to a great start as they embark on their new year of learning at Bryant! The open house will be held on Monday August 30th from 4:00-6:00 pm. This is a great opportunity to meet your child's teacher, drop off learning supplies, and check out our school. Please note that our first day of school, September 1, will be a full day of school for all students instead of the Smart Start we have done previously.

We look forward to working with you, and cannot emphasize enough the importance of your involvement as a parent in your child's education, you know them best. Please feel free to stop in to introduce yourself, ask questions, share concerns, or to just say hello. We hope that Bryant Elementary will exceed your expectations! Thank you for choosing Bryant Elementary and welcome to the 2021-2022 school year!

Sincerely,

Matt Amerson, Principal
