THOMAS MACLAREN SCHOOL

HEALTH CARE PLAN INFORMATION

Dear Parents and Guardians:

Welcome to the 2022-2023 school year at Thomas MacLaren School! Every year it is helpful for us to have an update to our records if your child/ren have asthma, allergies, celiac disease, diabetes, migraines, seizures or any other health care issue. This allows us to better care for your child/ren throughout the school year and helps decrease the number of interruptions to their learning due to illness or complications from their health concerns.

All of the forms included in these health care plans (HCPs) must be filled out completely by either you or a health care provider with prescriptive authority. Please note that both the parent/guardian and the health care provider need to sign the documents.

If your child/ren will need to carry a rescue inhaler, Epi-Pen®, or diabetes supplies with them this year, then please fill out the Contract to Carry form and return to the front desk prior to sending your child/ren to school with their medication. Unfortunately, we are no longer able to administer your child/ren's emergency medication without a signed HCP and a completed Authorization for the Administration of Medication by School Personnel.

For your reference, all of the links for these forms and packets can be found on the school website: www.maclarenschool.org under the Parent tab in the Health Information section.

Thank you for letting us partner with you to make sure that your child/ren have a healthy and safe school year. If you have any questions or concerns, please don't hesitate to contact me.

Kind Regards,
