Integrity and Empathy are at the core of all we do

Dear Parents and Guardians:

Thanks to the fantastic efforts of our parent volunteers, we will have a skating rink in the schoolyard. Students will use the rink as part of their physical education program to promote aerobic fitness and to develop skating skills. The rink is open to students during scheduled blocks of time. You will be notified of the class skating times by your child's teacher. If you have any questions or concerns, please call the school at 613-828-3100. It is strongly recommended that students bring their skates to school in a sturdy bag which is well labeled with your child's name.

To ensure that the student's are able to skate as soon as the rink is ready, **please send in the forms by Friday December 20th, 2019**

Important: **All skate blades must be covered by skate guards.**

All skaters **MUST** have an OCDSB Extra-Curricular Sport Consent & Physical Health Information Form filled out. The Parent and Student consent form requires the signatures of both Parent and Student. All forms must be received by the school in order to participate in our Skating Activity.

There are inherent dangers in skating and we advise students to take the following precautions:

All skaters **MUST** wear a CSA approved hockey helmet when on the ice. If the child is able to bring their own helmet, please ensure that it is labeled with your child's name in permanent marker. All students **MUST** wear mitts or gloves.

Sincerely,

Dave Petrie

PLEASE RETURN THE BOTTOM SECTION OF THE FORM

Student's Name: _____

Parent's Name: _____

Does your child require skates? YES NO **Size** _____

Does your child require a helmet? YES NO

Are you able to volunteer and tie skates? YES NO

I have read the rules and give permission for my child to use the outdoor rink. I understand the risks involved in skating and support the need to wear a CSA hockey helmet while using the rink (before, during and after school hours). I understand that there will be a staff member on the ice at all times during scheduled skating times. My child will transport his/her skates with the blades covered by skate guards.
