General Vanier PS School Council, in collaboration with
Scientist in School, is proud to offer a FREE,
virtual family friendly workshop on
Tuesday May 17, 2022 at 6:00pm or 7:30pm

NOTICING NATURE

Chicka-dee-dee-dee. Who was that? Play a game to discover nature sounds around us. Buzz your newly created bee around flowers to pollinate them. Investigate seeds and make a seed caterpillar that will grow over time. Notice all that nature has to offer, big and small!

*Please note: there is a limited number of spots available and you MUST register by Wednesday May 4th by 5:00pm.

We will do our best to accommodate families' preferred time; however, each workshop is limited to 15 families. We will send out more details closer to May 17 regarding which time slot you have been allocated.
