Conflict Resolution

a) Resolution of Conflict of Opinion

- Every Council member will be given an opportunity to express his or her concern or opinion about the issue in dispute and how the dispute has affected him or her.
- Speakers to an issue will maintain a calm and respectful tone at all times.
- Speakers will be allowed to speak without interruption for a specified length of time as pre-determined by the Chair.
- The Chair's responsibility is to clarify the statements made by all speakers, identify common ground among the points of view raised, and to set out the joint interests of all members.
- If no common ground can be identified, the Chair will seek to clarify preferences among all members before proceeding further.
- If all attempts at resolving the conflict have been exhausted without success, the Chair may request the intervention of a superintendent or other senior administrator to facilitate a resolution to the conflict.

b) Resolution of Disruptive Behavior

- Council members are elected to serve the school community and will demonstrate respect for their colleagues on Council at all time.
- Any attendee to a Council meeting shall comply with the guidelines and rules outlined in these by-laws.
- If a Council member or members, or any other meeting attendee, become disruptive during a meeting, the Chair shall ask for order.
- The Chair is responsible for taking firm and consistent action to maintain or restore order. This may include, but is not limited to: asking for a comment to be rescinded; tabling the debate; closing the debate; or asking an individual to leave the meeting.
- The removal of an individual for one meeting does not prevent that individual from participating in future meetings of Council unless the Council votes to remove the member from Council.
- The incident shall be recorded in the Minutes of the Council.
- In the event the School Council cannot resolve the disagreement at the local level, the Chair/Co-Chairs or Principal/Vice-Principal will request the appropriate Superintendent of Schools to mediate the disagreement. If a resolution is not attained through the Superintendent of Schools, the Chair/Co-Chairs or Principal/Vice-Principl will refer the matter to the Director of Education.
