

TWO NEW EASY FUNDRAISERS!!

Nisley Elementary PTO has two new accounts to earn money for the school. We now have an Amazon Smile Account as well as a City Market Community Rewards Account! This means that after you are registered, any time you spend money at City Market with your rewards card, or smile.amazon.com the PTO earns a percentage of what you spent. This helps us earn money without having students do door-to-door sales. Saving you and us time. Please take the time to register for both and make sure when you shop on amazon you go to smile.amazon.com for it to count.

To register your Amazon Smile account:

- Sign in to smile.amazon.com on your desktop or mobile phone browser.
- In the “pick your own charitable organization” box type in “Nisley Elementary PTO”
- Select “Nisley Elementary PTO”
- Begin shopping!

To Register for City Market Community Rewards:

- Sign in to your City Market account
- Go to your Account Summary
- At the very bottom find the “Community Rewards” and click “Enroll”
- Search for “Nisley Elementary PTO” or by our Number “84706”
- Click the Circle next to “Nisley Elementary PTO” and then Click “Enroll”

We thank you for your support.

-The PTO
