Public Notice

F ½ Road Detour

The City of Grand Junction will be hiring a contractor to remove and replace the structure carrying F ½ Road over Lewis Wash, just east of Thunder Mountain Elementary. The removal and construction of the new structure will require a **FULL CLOSURE** of F ½ Road just east of Thunder Mountain Elementary, between the school on the west and Allegheny Drive to the east.

The construction is proposed to begin on November 1st (2018), with construction completion anticipated in April 2019. This schedule allows the contractor to access the structure when irrigation flows are turned off.

District 51 will be providing busses for the students who normally walk from the east side of the bridge to school. These busses will be available only during the road closure.

Please contact Kirsten Armbruster with the City of Grand Junction Public Works Department at (970) 244-1421 with any questions or concerns regarding the detour.
