

Dear RPPS families,

Clearly Mother Nature has a sense of humour. The OCDSB has made the decision to keep schools closed tomorrow. Students and staff will learn and work remotely. Parents are asked not to bring students to school on Monday.

As our incredible educators were planning the return to InPerson, a flip back to our remote learning schedule from last week may be challenging. You will hear from your child's teacher after 8:30 am to let you know what to expect for the day / when to be online.

Be kind, be brave... be a dragon... in a snowbank.

Heather Mace, Snow Shovelling Principal
