

## **NOTICE: Mandatory use of masks on OC Transpo**

Students using OC Transpo are reminded they are required to wear a mask that covers their nose and mouth before entering a station, shelter, or boarding an OC Transpo vehicle and it must remain on at all times.

Failure to follow the City's by-law could result in penalties including a \$260 fine or transportation privileges being revoked by OSTA for repeat offences. OC Transpo Special Constables will travel across the transit system to ensure everyone is following the City's by-law.

Wearing a mask plays an important role in stopping the spread of COVID-19, keeping students, staff and other riders safe. Students are also encouraged to use hand sanitizer when they enter the bus or station and when they transfer. Hand sanitizer dispensers are located at every Line 1 station and most Transitway stations.
