English – University	ENG4UT
Personal Life Management– Open	HIP4O
The World of Fashion – College/University	HN4B4M
Math – Advanced Functions – University	MHF4U
English – Ontario Literacy Course – Open	OLC4O

eLEARNING (ONLINE) COURSE INFORMATION

In many ways learning online is like learning in a classroom. Students still read, work independently or as a member of a group, complete assignments and interact with their classmates and teacher. However, instead of being in the same place at the same time you learn and collaborate online in the OCDSB Virtual Learning Environment. While students should **plan to spend a minimum of 6-8 hours per weekday** on their eLearning course, they will have some flexibility to choose when they work during the day as long as they meet course due dates & times. Students do not work through the course at their own speed. Each course is facilitated by a teacher who controls the timing of the course to encourage collaboration and enable effective feedback.

Important to Note:

- **Students should NOT schedule vacations, travel, employment, etc. during the June 30 – July 28 Summer School time period. Timelines/due dates will not be adjusted to accommodate absences.**
- Students will need to be available for oral assessments/final course evaluations and should plan to be residing locally (or at least in the same time zone) for the duration of their summer school course.
- **A student may only be registered for only one Summer School course of any kind in the July Summer School Session (i.e., one In-Class Reach Ahead course or one eLearning course.)**

REGISTRATION INFORMATION

When to Register? Wednesday, April 29 – Friday, June 12, 2020
