**Congratulations on reaching this
amazing academic milestone!**

**We want to provide you with a few tips that will assist
you and our photographers to capture and create
beautiful timeless portraits.**

GETTING READY

Hairstyle, makeup, jewelry and clothing stand the test of time and photograph best if kept modest. We recommend a natural application of any makeup, classic and simple earrings or necklaces, and a hairstyle to allow a grad cap (if desired).

Fingernails should be trimmed and/or freshly polished. White collared shirts or blouses are recommended. Neckties with a solid or simple pattern are best.

PORTRAIT SESSION

We want you to be relaxed, comfortable and have time to make any adjustments. Please arrive 10 minutes before your portrait session. The photographer will collect your \$30 sitting fee at that time. A secure password to view your photos online will be provided for you.

The sitting fee will include 8 poses, online ordering, plus a Graduation Composite at the end of the year.

Plus: Save 10% from any PACKAGE ordered within two weeks of photography.

AFTERWARDS

Images will be available to view 2-3 business days (Monday-Friday) following your photo session.

A paper order form with sample photos will also be returned to the school within 7-10 days. Now you have the fun of deciding which photos you would like in which packages!
