## FAQ's about Course Planner

1. *I am getting a **red dot**  and it won't let me submit:*

This means the course planner does not see the prerequisite on your profile. There are some errors, so please make an appointment with your guidance counsellor if you believe you have the prerequisite or are currently taking it and we will override the red dot to enable you to submit.

2. *I am getting a **blue dot** :* this means that additional information needs to be read. For example, if the course needs an application form, if the course is offered outside the timetable etc. A blue dot will not prevent you from submitting your courses.

3. *What if I am planning to take a course in **summer school**?*

Choose the course anyway for your 8 options for next September. When you are registered for summer school, we will use your alternate choice.

4. *I want to take **a course** offered **OUTSIDE THE TIMETABLE**:*

-Grade 9 and 10: a Google Form will be sent to students who chose AMU10/AMU20; Band cannot be chosen on Xello at this time.

-Grade 11: if you have space, use one of the "available period" boxes if you are interested in taking: **Band** or **Drama Production**. If you want Band or Drama Production as a 9th course, use your "alternate" box.

-Grade 12: use one of the "available period" boxes if you are interested in taking: **Broadcasting** before school, **Band** or **Drama Production** after school.
