

Grade 5-8 After School Supervision School Year 2021-2022

St. Mary's Catholic School is pleased to provide a space that meets the needs of parents who need after school supervision for their middle school child(ren). During their time after school, children are encouraged to do their homework. They may also have time to read or do other hobbies they can do in a classroom. The after school supervision option is not available on days with no school or early dismissal.

Structure of the After School Supervision

Last year our middle school teachers took turns supervising students on different days of the week, and we hope for that to be the plan again. Since we only have one teacher supervise per day, we will have a limit of 20 students in order to fit everyone comfortably in one classroom. If necessary, priority will be given to families who live outside the Storm Lake School district and do not have bus transportation available to them. After that it will be on a first come, first serve basis until we reach our limit.

Weekly Rates:

St. Mary's After School Supervision has a weekly rate as listed below. In order to be assured there is proper supervision, parents will be required to pay the weekly fee, even if your child does not attend for any reason. Drop-ins will not be allowed. The fee will help us to compensate the supervisors who stay after their contract time to watch the students in need of supervision. We will consider discounted rates for families with children in the elementary after care program as well provided we have enough students signed up for the middle school program to bring in enough money to properly compensate our teachers who supervise.

1 child:	\$35.00
2 children:	\$45.00
3 children:	\$55.00

If you no longer need the services of the After School Supervision, you may withdraw your child to avoid paying for weeks you do not need and can re-enroll if space permits.

You will be charged weekly but billed on a monthly basis at the end of the month. If you become delinquent in your After School billing, you will not be able to use this service.
