

Hello Spalding Families,

It's amazing to see that the end of summer arrives so quickly. I want to thank you all for welcoming my family and I into the Spalding community. We are so excited to be a part of such a wonderful family that is Spalding. We are excited for a new school year at Spalding as we continue the work that must be done to ensure the safety and educational needs of our students, but to also build upon that foundation to make Spalding even stronger. We are incorporating a new reading curriculum this year, and a new literacy reading program that will help students improve on their fluency and comprehension.

I would like to thank our hard working and caring faculty and staff who have made a huge difference to our students. Their commitment is outstanding, and our kids are the beneficiaries. Thank you for providing rich and engaging, well-rounded experiences for our kids and knowing that education is about wonder and fostering curiosity, along with development of social skills so needed to succeed. For these, and a million other things, we are truly grateful.

Some important upcoming dates to remember are:

August 18th- Staff returns

August 22nd- Open House from 4-6pm

August 23rd- First day of school with students

Class supply lists for the 2022-2023 school year can be found on the Spalding Catholic website at www.spaldingcatholic.org

In closing, this is an exciting time to be at Spalding. Our strong commitment to Catholic education and to our students is extremely important to the growth of our students and school. We are committed to providing the best education to our students while helping them grow in their faith. This is going to be a great year, and we are excited to get started!

Sincerely,

Bryan Paulson
