

8-22-2022

Dear Parents of the Freshmen Class:

The freshmen class fundraiser is running the volleyball concession stand. With the renovations to the cafeteria and concessions area, it's going to be a new experience, even for those who have done concession work at Gehlen before. Please read everything thoroughly and be sure to ask questions! The schedule is attached and will be uploaded to the website as well.

The following are some frequently asked questions.

Why are the freshmen in charge of the volleyball concession stand? Running the volleyball concession stand is the freshmen class fundraiser. The proceeds received from the concession stand are used for sponsoring Snowball, the winter dance; paying for their future Prom; and paying for their senior retreat.

Is it important for parents to help? YES! The more workers we have the better service we can provide our guests. It also helps aid in getting set up and tearing down in a timely fashion so that all families can be on their way.

Who has to do the work? When your child is scheduled to work a shift, one parent/adult needs to come along to work that same shift with them. (2 people per family for your assigned shift.)

What if you are unable to work the shift you are assigned? Please find your own replacement by switching with another freshmen classmate. Most families only have to work once for the season, however, due to the number of matches, there are some families that have been assigned to a second date. When everyone does their part no one is overworked. If you need to change shifts please let one of the parent contacts know.

As we get closer to the September 18th tournament date, we'll be sending out another communication to coordinate families to provide bars and other homemade goodies for that day. Thank you in advance to everyone helping out!

Freshmen Student Council Officers:

President - Maile Narkon

Vice President - Alexander Munoz

Secretary - Elizabeth Hitchler

Treasurer - Addison Kramer
