August 2022

Dear Parents,

It is that time of the year, once again. The start of the 2022-23 school year is right around the corner and our schools are ready to **EMBRACE - ENGAGE - and EDUCATE** our students and their families. Our teachers and staff are motivated to **Embrace** students to learn more about their social, emotional and learning needs to build a strong relationship. Once those relationships are established, students will **Engage** in relevant learning opportunities based on individual needs, all leading towards learning experiences that educate the whole child. I am very excited for our new school year where **Educate** will be implemented through our student learning goals that will involve rigorous and relevant education with continuous improvement in the areas of student achievement, Literacy for ALL, social and emotional learning, STREAM education, positive learning environments, and more community partnerships. We are opening the new Bargaintown Preschool in September and look forward to educating more students. Our before and after school program, T.A.L.O.N.S. is open for registration. Please visit our website for enrollment information. Your interest and participation in your child's life is paramount and I encourage you to partner with us to learn more about our curriculum and programs. Please utilize the Parent Portal for pertinent information that will be communicated to you. Please refer to our district website, www.eht.k12.nj.us to become familiar with our schools and receive current news via our colorful, informational banners. We have many events planned for our students and parents in our schools; be sure to check it out and get involved.

The first day of school will be Tuesday, **September 6, 2022**. (Full Day of School)
