

Mattituck-Cutchogue Academic Booster Club

As students make their way to their classrooms, some may find themselves without supplies or means to help them succeed academically. The Mattituck/Cutchogue Academic Booster Club has been established to meet those needs.

The mission of the Mattituck/Cutchogue Academic Booster Club is to provide financial support to students most in need, aiming to provide opportunities and resources to those who do not have the means, as well as maintaining a standard of academic excellence in our community.

With your help, we can be sure that every student in our district is provided with all they need to achieve their educational goals.

We are asking for the local community's support in raising funds to support the Booster Club. The Mattituck/Cutchogue Academic Booster Club is a registered 501-3-C organization, which makes your donation tax deductible.
