

Community Achieves Staff Directory 2022-2023

Community Achieves is an MNPS-led community school initiative. A Community Achieves school focuses on academics, health, social services and youth development to improve the conditions for learning.

The on-site school coordinator brings partners together to offer a range of support and opportunities for children, youth, families, and communities.

Our Mission:

To remove barriers to learning by identifying needs, cultivating relationships, and aligning supports to ensure school communities thrive.

The Four Pillars of Community Achieves:

College and Career
Readiness

Family Engagement

Health & Wellness

Social Services and Adult
Development
