COMPLETE BOOK TALK PRE-WRITE:

WHAT IS A book talk?

The purpose of a book talk is to **"sell" the book you just read**. Think of it as a commercial or movie trailer for the book. You will create a 2-3 minute talk about a book that includes just enough plot, character, setting, and conflict information to interest other students in the classroom. The main purpose of a book talk is to grab an audience's attention and make them want to read the book.

HOW DO I COMPLETE A book talk assignment?

1. Read the book (never try to do a book talk on a book you haven't read).
2. Complete the Book Talk Pre-Write.
3. Write a final version of your book talk.
4. Practice your book talk.
5. Present your book talk to the class.
