### About Me

I have lived my whole life in Nashville. I grew up in Donelson and graduated from McGavock High School. I absolutely love being an educator and learning as much from students as they learn from me! 😊

**FUN FACT:** In my spare time, I love to watch tv on Saturday mornings and drink coffee. I also love outdoor activities.

### Education

I earned my Bachelor's degree in K-8 Education from Middle Tennessee State University and a Master's degree in Educational Leadership from Cumberland University.
