

# Meet

## Mr. Rimini

### About Me

I am from a very small town in Illinois. I moved to Nashville in 2015 and currently live in Mt. Juliet. My educational career began after a serious knee injury ended my athletic career. Previous teachers and administrators inspired me to become a teacher and then a school leader

**FUN FACTS:** I love football and the Dallas Cowboys and I often compete in different fitness challenges.

### Education

I earned my Bachelor's degree in Elementary Education from Southern Illinois University in Carbondale and Master's degree in Educational Leadership from Union University.
