Families can save on their internet bills through the Affordable Connectivity Program

DEAR PARENT: Visit **GetInternet.gov** today to check your family's eligibility for $30 off your monthly internet bill and to sign up to save!

High-speed internet is a necessity – especially for students. That's why the Bipartisan Infrastructure Law created the Affordable Connectivity Program (ACP) to lower internet costs for families. ACP provides eligible households:

- Up to $30/month off their internet bills (or $75/month on Tribal lands), and

- A one-time $100 discount off a laptop, tablet, or computer.

__GetInternet.gov__ is a one-stop shop to check eligibility and sign up. Families can also call 877-384-2575 for more ways to apply.
