GENERAL CRITERIA

Nominees must exemplify the highest standards of sportsmanship, ethical conduct, moral character, and carry the endorsement of their peers.

The categories of athlete, coach, and contributor are included on the nomination form for expediency in understanding the primary area in which an individual is to be considered for their achievements in interscholastic athletics and activities. The grouping is for screening purposes only and to assist those making the nominations in understanding the type of information required. Once nominees are inducted, they are not categorized, but all are recognized as members of the Narrows High School Sports Hall of Fame.

All candidates will be judged on their significant and/or long term contribution to interscholastic athletics and activities. While many have served at Narrows High School, their accomplishments must have been worthy of high recognition for them to be considered.

ELIGIBILITY REQUIREMENTS

- Coaches being considered must be non -active, or must have served at least 15 years as a coach at Narrows High School
- Athletes are eligible for selection 15 years after their high school graduation

- Anyone can nominate.
- The nominating deadline is May 1st each year for that year's induction.
- Inductees will be determined by the Hall of Fame Committee and announced that summer.
- No individual may make more than one nomination per year.
