

Golf School District 67 Individualized Education Program

A child's Individualized Education Program (IEP) will include:

- Family report
- Present level of academic achievement and functional performance
- Annual goals and objectives/benchmarks
- Participation in assessments
- Educational accommodations and supports
- Educational services and placement
- Beginning date of service, amount, frequency, location, and an anticipated duration of services and modifications
- Extent of participation in regular education programs
- Extended school year services
- Meeting notes

Additional information may also be provided in the IEP if needed based upon the evaluation results and input from school personnel.
