

Golf School District 67

Student Chromebook Take Home Program Student & Parent/Guardian Device Agreement

Access & Support:

This agreement is entered into between the Board of Education of Golf School District 67 (hereafter “the Board”), the student, and the parent(s)/guardian(s) of the student.

For the 2019-2020 school year, Golf School District 67 (hereafter “the District”) will provide the above-named student a Chromebook. The student is to use the Chromebook as a positive learning tool. The Chromebook is the property of the District and must be returned upon the District’s request and on the last day of attendance for the school year.

Prerequisites to receive device:

To receive a Chromebook to use, the student and his or her parent/guardian must sign and submit to the District page 3 of the 1:1 Chromebook Student Use Agreement and the Acceptable Use Policy (AUP) outlined in Board Policy 6:235

Applicable Policies: In using the Chromebook, the student is subject to and must comply with Board Policies 7:190 Student Discipline, 7:180 Harassment/Bullying, and 6:235 Acceptable Use of Electronic Network and their associated administrative procedures or regulations. A violation of any of these policies could result in loss of network privileges, loss of right to use the Chromebook, or appropriate discipline, up to and including suspension or expulsion.

RESPONSIBILITIES

The student will:

1. Comply to any and all Board policies regarding student discipline, harassment/bullying and acceptable use of electronic networks.
2. Charge their 1:1 device nightly, and make sure it is ready each day with a full charge.
3. Communicate in a responsible, ethical, and polite manner; avoiding profanity, obscenity and offensive or inflammatory speech.
4. Respect the Internet filtering and security measures included on the digital learning tool.
5. Backup important data files using cloud storage (such as Google Drive) regularly.
6. Use technology for school-related purposes only.
7. Follow copyright laws and fair use guidelines. Only download or import music, video or other content that students are authorized or legally permitted to reproduce or use.
8. Allow an administrator or teacher to inspect the content of any District owned learning tool; understanding that any content may be viewed, monitored or archived by the District at any time.

The student will not:

1. Mark, deface, or place stickers on the District owned digital learning tool.
2. Attempt to override, bypass or otherwise tamper with the Internet filtering software, device settings, hardware, software, or network configurations.
3. Attempt access to networks and other technologies beyond their authorized access. This includes attempts to use another person's account and/or password or access secured wireless networks.
4. Share passwords, attempt to discover passwords, 'hack' to gain access other than your own.
5. Download harmful, malicious, or inappropriate content including the intentional introduction of computer viruses and other spyware.
6. Attempt to locate, view, share, or store any materials that are unacceptable in a school setting. This includes but is not limited to pornographic, obscene, graphically violent, or vulgar images, sounds, music, language, video or other materials. The criteria for acceptability is demonstrated in the types of material made available to students by teachers and administrators.
7. Reveal or post identifying personal information, files or communications to unknown persons.
8. Participate in Cyberbullying, including personal attacks or threats toward anyone made while using either District owned or personally owned technology.
9. Use the District owned device for commercial or political purposes.

In addition to the specific requirements and restrictions detailed above, it is expected that students and families will apply common sense to the care and maintenance of District-owned computer technology.

The District is not responsible for any loss resulting from the use of District owned technology and makes no guarantees that the technology or the District network systems that support student use will be available at all times.

By signing this policy you agree to abide by all of the conditions listed above and assume responsibility for the care and proper use of Golf School District 67 owned technology. You understand that should you fail to honor any and all of the terms of this commitment, access to 1:1 technology, network access, and other electronic media may be denied in the future. Furthermore, students may be subject to disciplinary action outlined in the Student Handbook.
