

CATEGORY 1: Green/Yellow- New Normal:

WBCSD schools will open but incorporate health guidance and protocols to try and mitigate risks and limit the spread of COVID-19. Here's what to expect:

Districtwide Practices:

- Social distancing where possible and reasonable.
- Masks or cloth facial coverings will be strongly encouraged for all where social distancing is not possible.
- Buildings routinely cleaned and disinfected according to CDC guidelines. Special focus on high traffic areas.
- Handwashing integrated throughout the day.
- Hand sanitizer available throughout buildings.
- Schools share "Stop The Spread" information with focus on preventative measures and symptoms.
- Support and training for parents who need help accessing technology, tools and online curriculum.
- Social distancing on school buses will be difficult so we encourage parents to consider alternate transportation to school such as having children walk or bike.

Classroom Spaces:

- Limited use of shared materials and supplies.
- Desks arranged to allow for cohort groups and social distancing where possible and reasonable.
- Staff working closely with small groups of students will be encouraged to wear face shields.

School Spaces:

- Sneeze guards and other protective measures will be implemented in all offices.
- Some school events, assemblies and gatherings may be changed or cancelled to limit large gatherings.
- Access to campus may be limited with new protocols for volunteers/visitors to campus.
- Schools may offer Internet access in areas such as cafeterias, libraries, gymnasiums and parking lots.

Common Spaces:

- Students move in cohort groups where possible and reasonable to try and limit possible exposure.
- School schedules may be adjusted to reduce the number of students passing in hallways.
- Lunch times may be staggered to reduce the number of students in the cafeteria and allow for some social distancing. Some students may eat in other areas of the school or outside, weather permitting.

Extracurricular Activities:

- We will follow guidance and directives from the Idaho High School Athletic Association and the governing bodies of other extracurricular activities.

Priorities in CATEGORY 1:

- * Ensure students and staff who are sick or showing symptoms stay at home.
- * Implement social distancing and cohort groups where possible and reasonable.

**CATEGORY 3:
Red - K-12th in
person learning
(unless otherwise
noted)**

Based on guidance from health officials, the Board of Trustees may shift to Category 3. Students would continue to attend school fulltime in person, unless conditions require the move to hybrid learning at one or more school. Hybrid learning would involve students attending on alternate days and learning from home on alternate days. Upon guidance from Panhandle Health District to move to hybrid learning at one or more schools, the following day would be a non-school day to allow for teacher preparation.
