BACKPACK RULES AND USE 2022 – 2023

Greetings Cole Parents or Guardians,

Students are permitted to bring backpacks to school for school related items only. Students must follow the backpack rules if they bring their backpack to school.

Purpose and rules of backpack use:

- Students will use their backpack to maintain school papers, AVID notebook, agenda, books, pens, pencils, and highlighters. **Sharpies and other permanent markers are not permitted.**
- Students can use their backpack for their lunch.
- No personal items such as electronic game devices, toys, spinners, weapons, candy, gum or items that are not school material are not permitted.
- Unnecessary items brought to school that pose a distraction during instruction, will not be permitted. These items will be confiscated and the parent/guardian will be required to pick them up at school.
- Girls may bring feminine products when needed.
- Students should not have large amounts of money in their backpack.
- Once a student breaks a rule(s), the school will contact the parent/guardian and the student can lose backpack privileges for the remainder of the school year.
- The school is not responsible for the backpacks and items they bring in their backpacks.

We appreciate your support in reinforcing these rules.

Thank You,

Keishia Handy, Principal
