Sharing Information with Medicaid/CHIP

Dear Parent/Guardian:

If your children get free or reduced-price school meals, they may also be able to get free or low-cost health insurance through Medicaid or the State Children's Health Insurance Program (CHIP).

Because health insurance is so important to children's well-being, the law allows us to tell Medicaid and CHIP that your children are eligible for free or reduced-price meals, unless you tell us not to.

If you do not want us to share your information with Medicaid or CHIP, fill out the form below and send in.

(Sending in this form will not change whether your children get free or reduced-price meals).

No! I DO NOT want information from my Free and Reduced-Price School Meals Application shared with Medicaid or the State Children's Health Insurance Program.

If you checked no, fill out the form below to ensure that your information is NOT shared for the child(ren) listed below:
