

SCHOOL TRAVEL ACCIDENT AND SICKNESS INSURANCE

Underwritten by AXIS Insurance Company

We can now offer coverage for overseas trips with broader coverage for Accident and Sickness

- Does your school sponsor overnight trips overseas, such as senior trips to France?
- Do the parents rely on the student accident coverage to cover their children on these trips?
- If the answer to these two questions is “yes,” read further.

Did you know - if a sickness occurs while traveling overseas, student accident insurance alone will not provide coverage. The physician or hospital fee will need to be ***paid out of pocket*** and submitted to the insurance company for reimbursement. In addition, Student Accident coverage offers no provisions for Medical Evacuation if a serious illness occurs.

School Travel Accident and Sickness insurance can help fill that coverage gap.
