SCHOOL/COMMUNITY

Serving grades 9–12, we are a college preparatory institution for residents of Mendham and Chester, semi-rural communities with a mix of upper-middle class to high-income families. The program of studies features a wide range of International Baccalaureate and Advanced Placement offerings. Current enrollment for the 2022-2023 school year is 1077 students.

CURRICULUM

West Morris Mendham offers a four-year comprehensive program that includes a wide range of elective courses. Within our academic offerings we strive to cultivate and assess the development of those attributes articulated in the IB Learner Profile. These traits include being knowledgeable, principled, open-minded, caring, balanced and reflective while actively thinking, inquiring, communicating and taking risks. Critically evaluating information and its sources and utilizing relevant data to solve problems is a recurring exercise in our coursework.

VISITATIONS

The Guidance Office welcomes college admissions representatives to meet with a counselor and visit with WMMHS students during the months of September thru November. Visits take place during our student lunch (10:30-11:30am) and will be conducted both virtually and in person for the Fall 2022 season.

We encourage admissions officers to use Naviance RepVisits to schedule future visits with WMMHS,
