## Dear Community Volunteer:

On behalf of the staff of San Bernardino City Unified School District, I would like to extend our appreciation for your dedication to improving the academic achievement of our students. Volunteers play an important and valuable role in our district. Students, teachers, staff, parents, and the community benefit from the work of individuals like you who freely share their talents and resources. We also know that as a volunteer, you, too, will be rewarded.

This handbook is directed to all volunteers, parents/families, grandparents, college, high, or middle school students, retired persons, former teachers, and administrators, persons from the business and faith communities, persons of every educational level – in short, to anyone wishing to devote a portion of his or her time to one of the most important resources in this community – our schools. Because we want you to get the most out of your volunteer experience, we want to make sure you are an informed volunteer. Whether you commit one hour a week, one day a week, or commit to the entire school year, your efforts make a difference for our students.

Volunteers help in many different ways such as tutoring, classroom assistants, playground supervision, library assistants, office assistants, field trip chaperones, team sports, and special projects. We cannot imagine what it would be without your hard work and dedication. On behalf of the teachers, staff, and students, - “We appreciate all that you give to improve the quality of education for our students.”

If we can ever be of assistance to you, please do not hesitate to give us a call at (909) 880-4057.

Sincerely,

Family Engagement Office

## Volunteer Program Overview

San Bernardino City Unified School District believes that volunteers contribute their time unselfishly on behalf of our students and staff. The vast majority of volunteer efforts are done quietly, behind the scenes, and without great fanfare. Many Volunteers currently work in a variety of capacities in the district. Volunteers include parents, business/community partners, faith-based organizations, community members, the military, high school, and college students, senior citizens, and a variety of constituents with diverse economic, social, racial/ethnic, religious, and educational backgrounds within the San Bernardino Community. While the San Bernardino City Unified School District Volunteer Program is coordinated at the district level, it is essentially school-based. Principals appoint school-level volunteer coordinators each year. The Family Engagement Office provides the structure and materials needed for operating an organized program and provides assistance and training in areas of recruitment, record keeping, orientation and training of staff and volunteers, recognition, public relations, and program evaluation. The Family Engagement Office promotes and facilitates parent and community involvement in education and provides recognition for volunteers and partners.
