Welcome to the 2022-23 school year!! We are excited about our academic, athletic, and co-curricular programs!! We are happy you are here at Central High School and encourage you to become involved. Call on us at any time. -CHS Staff and Administration
COMMUNICATION

One of our goals at Central is to allow families the ability to know and have an active role in how their student is progressing and what is happening in the school. To facilitate this, the following communication avenues have been put into place.

PARENTVUE

ParentVUE is the most accurate way to access student information including grades, attendance, lunch account, bills, class information, assignments, lesson plans and test scores. Registration forms are in the Main Office or Attendance Office and can be turned into the Main Office when completed. When registering, an email address is required to activate an account. ParentVUE is also accessible as an “App” for your phone.

WEBSITE/NEWSLETTER

The CHS website is a wealth of information on upcoming events and site information depending on departments. Each month a newsletter is available on the CHS website which outlines upcoming events, recent happenings, scholarship opportunities… check it out at http://chs.d51schools.org

CHS PHONE APP

Central High School will be continuing to maintain an application for smartphones to provide information to students and families of the CHS community. This “App” will allow a wealth of school information to be available at your fingertips. The App will link to a smaller version of our webpage and link to upcoming events, scholarships, college visits and updates. Search for the CHS APP in your APP Store and download.

AUTO-DIALER

Central is able to notify parents about absences in the evenings utilizing the auto-dialer or e-mail. Auto-dialer is also used to convey messages for specific upcoming events, or school information based on the phone number(s)/email supplied at time of registration. These messages can be student specific, grade specific or school-wide. This is also the main point of contact from the district if there are school emergencies, i.e. lockdowns, shelter in place, early dismissal or school closures. If you are not receiving phone calls or emails, please check your information with the Attendance Office.
SCHOOL ADVISORY COUNCIL

CHS believes that parents, teachers, students and community members are partners in education and that each of us has a part in creating our community. The School Advisory Council is a way for all of these stakeholders to have an active role in directing the school vision. The council meets monthly at 6:00 p.m. in the library. We invite you to be a part of this active organization.

CENTRAL HIGH SCHOOL: Where Warriors Are Made
STUDENT IDENTIFICATION BADGE:
**Central High School is committed to student safety and security. All students attending CHS will receive a student I.D. badge at registration. Students are required to produce the I.D. badge at all times, either the actual I.D. badge or a picture of the I.D. on the student’s phone. A student should also keep Student Vu on their phones as an app for identification and scanning at the tardy kiosks. If students cannot produce the I.D. badge, the student will be required to go immediately to the Counseling Office to purchase a new one or will be assigned a detention. All students leaving campus during lunch-time must be able to present their I.D. badge upon exiting the building or parking lot. A lost I.D. or damaged I.D. can be purchased in the Counseling Office for $2.00.**

ATTENTION POTENTIAL COLLEGE ATHLETES: IN ADDITION TO HEAR Requirements, you must register with the NCAA Clearinghouse and meet the NCAA CLEARINGHOUSE course requirements.
**Conventional Pathway:**
This pathway is the standard pathway to graduation. The student will:
• Complete 25 required standards-based credits* -including 4 classes of intentional ICAP electives** AND
• Maintain a 2.0 GPA or higher, **AND**
• Meet the Colorado Graduation Guidelines in English and Math

**Pathway of Distinction:**
This pathway provides the highly motivated student opportunities for challenging coursework and additional recognition for their hard work. The student will:
• Complete 25 required standards-based credits* **AND**
• Maintain a 3.5 GPA or higher, **AND**
• Meet the Colorado Graduation Guidelines in English and Math (see page 4).
• Meet the Colorado HEAR requirements **AND**
• SAT score of 1110 or higher, or ACT score of 24 or higher

**Individualized Pathway:**
This pathway allows for adaptation and can be utilized for alternative program students:
• Students needing an individualized program of study as outlined by an individualized graduation plan.
• The student will complete 25 credits aligned with the standards or the equivalent. The 25 credits could include alternative proficiency assessment or extensions of the individualized pathway that allow the student to earn the equivalent of 25 standards-based credits. The Key Performance Program is an example of an individualized pathway.

**Students who have a GPA lower than 2.0.**
• The student will complete 25 required standards-based credits* **AND**
• The student will participate in prescribed interventions in their targeted area(s) of deficiency **AND**
• The student will work with appropriate staff to develop a graduation plan that supports student growth.

**GRADUATION RECOGNITION**
This year’s senior class (Class of 2022) at Central High School will be recognized under the Latin Academic Honors system to recognize those students who have shown academic excellence during their high school careers at graduation. Your current GPA puts you inside one of these categories, but final designations will not occur until the end of the school year. This means you must keep your grades up in order to be recognized at the graduation ceremony. Students will receive honors based on their cumulative GPA: Students will be recognized both visually and verbally at graduation for their accomplishments.

**4.0 and Higher: Summa Cum Laude (With Highest Praise).**
**3.70-3.99: Magna Cum Laude (With Great Honor).**
**3.50-3.69: Cum Laude (With Praise).**

*Cumulative GPA’s will be calculated to the 100th decimal, and will not be rounded up.*

The goal of this change is to more publicly recognize students for their efforts and promote students to take a variety of courses that fit their personal needs. This change does not currently affect class rankings.
ACADEMIC LETTER CRITERIA

Each year District 51 high schools celebrate their students’ academic excellence. Academic letters and other symbols of recognition will be presented in the fall for grades earned the previous school year. The Academic letter is based on the following criteria:

- Full-time student (6 credits) at their home high school, including District 51 satellite programs
- Minimum grade point average for the entire year of 3.50

POINTS OF UNDERSTANDING:

- MCVSD#51 courses taken between August and July of the academic year will be counted. (District #51 summer school courses and District #51 on-line courses taken during the summer will be applied to the previous academic year. District #51 on-line courses taken during the year apply to that year.)
- Academic letter is based upon all courses taken the previous year, regardless of the school attended including out of district transfers.
- Colorado Mesa University classes taken may be considered to meet the above criteria.

COLORADO STATE ASSESSMENTS

**PSAT:** All 9th and 10th grade students. Tentatively April 13, 14 2022.

**SAT:** April 13, 2022 – for all Junior Students. These scores may be used for college entrance, NCAA requirements, and Colorado graduation proficiency requirements.

STUDENT GRADE CLASSIFICATION

A high school student’s grade level classification is based on credit earned each year. Freshmen are required to earn 6 credits before they can advance to sophomore status. Students who do not earn sophomore status will lose privileges such as off campus lunch or the ability to attend school dances, but it is at the discretion of the grade level principal. For current 11th and 12th graders, their grade level classification MAY NOT accurately depict his/her progress toward the completion of credits needed to graduate with a diploma. Students without the proper graduation credits earned by the end of the 12th grade will be reclassified to the 12th grade for a 5th year of high school or provided an alternative pathway. Please refer to transcripts for completed credits and correct progress toward graduation.

LUNCH-TIME POLICY

Central High School is closed to 9th grade students and open to 10th-12th grade students. All students must present their I.D. badge upon exiting the building or the parking lot for lunch off campus. Students may not be released with parental permission exclusively for lunch if they forgot/lost their I.D.

COUNSELORS

Guidance services are available for every student at CHS. Services include: assistance with educational planning, interpretation of test scores, career information, study help, school and/or social concerns, college and scholarship information.

Students wishing to visit a counselor should contact the secretary in the Counseling Office to arrange an appointment. The phone numbers for the Counseling Office are x22116 and x22118.
SCHEDULING FOR SUCCESS

Students select courses for the following year in March and should seek recommendations from teachers, families and counselors. It is up to the student to select appropriate courses and levels. Teacher assignments change from term to term and year to year. Students sign up for courses, not teachers. Students will receive a printed copy of their schedule at Check-In, which is approximately two weeks before school starts. Requested schedule changes must be completed by the day before the first day of school. PLAN AHEAD!

Adjustments after the term begins will only be considered in unusual circumstances and may require a family/teacher/student/administrator conference.

If a student begins to struggle, the student, teacher, and family will need to work out a program for success. Teachers are available for extra help before and after school and advisory. Tutors are often available at Central and through Colorado Mesa University or Mesa County Valley School District #51 Administration.

All students and student athletes must be registered for a full schedule. The Principal or designee must approve permission for a modified schedule. Schedules may be changed by administration at any time.

GRADES AND REPORT CARDS

CHS expects the student to make his/her best effort in the study and preparation of work assigned to him/her. Report cards indicating the value of work accomplished during a given period of time are mailed at the end of each year. Grades can be accessed at any time using ParentVUE. Students and families should examine grades and transcripts carefully and are urged to contact teachers, counselors, or the principal if necessary. Keep all report cards and cross check with your official transcript at least once a year.

Grades become a matter of permanent record on the student’s transcript and are used in computing cumulative Grade Point Average (GPA). Credit is given ONLY at the end of a class. Grades given on the report cards evaluate performance in this manner:

- A = Superior (90% – 100%)
- B = Above Average (80% – 89%)
- C = Average (70% – 79%)
- D = Below Average (60% – 69%)
- F or WF = Failure (No credit or GPA value; less than 60%)
- NG = No Grade (Due to extreme circumstances the student was unable to complete the course)

GPA is computed on a basis of A=4, B=3, C=2, D=1, F=0.

Advanced Placement Classes.... A=5, B=4, C=3, D=1, F=0 (The additional quality point will be given only if the entire AP Course and the AP Testing are both completed). We recommend taking no more than two AP Courses at one time unless you have the recommendations of teachers, parents and counselors. We highly recommend students to attempt AP coursework as part of a college bound preparatory track, and we encourage parents to help support students through these advanced classes. If a student wants to drop an AP course, the parents must initiate a mandatory meeting between the parent, student, counselor, AP teacher, and grade level administrator. (*Weighted Grades – Concurrent classes taken at Colorado Mesa University will not be weighted.)
IF YOU NEED ACADEMIC ASSISTANCE

1. Go to the teacher and ask for additional help before or after school, advisory study days, or during the teacher’s planning period.
2. Select a student partner from each subject area who would be willing to help when you are confused about directions, after an absence, or to help in daily assignments.
3. Attend Access Hours with your teachers from 8:50-9:15 on Thursdays. Access Hours are required for any students with a D or F. Students will sign up to attend the required Access time during their Advisory on Tuesdays.

CREDIT RECOVERY POLICY

1. After the first failure in a class, a student retakes the class with another teacher.
2. After the second failure, the student must take the class utilizing an alternative opportunity* with the cost being paid by the student.
3. For students who may potentially fail due to extended illness or injuries with a documented medical excuse, death in the family, or other EXCEPTIONAL situations, the student will receive a Withdraw Passing (WP) grade from the class if he/she is passing at that time. This does not count as an attempt for a course. (This requires administrative approval.)

*Suggestions for alternative opportunities:
1. On-line courses or Grad Point (if available)
2. Summer Extended Learning Options (per teacher recommendation)
3. 9th period class or extended studies (if available)

*It is the student’s responsibility to meet with his/her counselor to discuss credit recovery options.

2022-2023 CHS ATTENDANCE POLICY

1. 3 tardies = 1 Unexcused Absence for Workplace Skills Grades purposes and goes toward accumulating absences.
2. Workplace Skills will be assessed using the D51 Secondary Learner’s Attitude rubric. Attendance and punctuality are implicitly addressed in this rubric. Teachers will assign one grade weekly based on the student’s performance that week. This grade will be 5-10% of their final grade.
3. Students who are more than 20 minutes late will be considered absent.
4. Students who accumulate 6 or more UNX absences will be referred to the grade level administrator and the teacher will call or email parents.
5. Administrators will follow the attendance/truancy protocol to hold an attendance meeting with the parents, create an attendance plan, and assign consequences. (See below)

Consequences:

1. In addition to the consideration of attendance in the D51 Learning Skills rubric, administrators will assign 5 days of detention and loss of off campus privileges OR Saturday School.
2. If a student missed one detention in the assigned week, that student will be assigned a ½ day of ISS. If a student misses a second detention, the student will be suspended out of school for 1 day for non-compliance/insubordination.
   ● Students who do not respond to the first consequence and continue to miss classes will be referred to the Truancy Officers and will be the next step after 6 UNX absences.
**EXCUSED AND UNEXCUSED ABSENCES**

In an attempt to clarify exactly what is an excused absence as opposed to what is an unexcused absence, the guidelines listed in the Colorado State Law will be used. See below for examples of the way absences are coded at CHS. All absences can only be excused within 48 hours unless extenuating circumstances interfere.

**EXC** – Illness, injury, appointment or pre-arranged absences

**UPC** – Needed at home, not having books, running errands, oversleeping, babysitting, skiing/snowboarding, obtaining driver’s license/permit, birthday celebration, hair appointments, car problems, missing the bus, transportation issues and family issues

**UNT** – Same as the UPC but only if a student is less than 20 minutes late to class

**TDY** – Same as EXC but only if a student is less than 20 minutes late to class

*Please remember that only Parents/Guardians may call in to excuse or release a student from class. An emergency contact can only call if a parent is out of town or unavailable due to an emergency situation. An emergency contact who has been designated as a pick up contact will be the only person other than the parent\guardian who may pick up a student. This does NOT include emergency situations.

**SPANISH SPEAKING PARENTS**

If your student needs to leave during school, please send a note in Spanish to the attendance office with the reason and time they are leaving. If your student needs to be excused for missing school please send a note in Spanish to the Attendance Office the day they are back to school. You may also call the Attendance Office and ask for a translator to take your call.

**PROCEDURES WHEN ABSENT FROM CLASS**

1. Contact the Attendance Office (x22111, x22101) between 7:00 AM and 3:30 PM the day of the absence and inform the school of the reason for the absence.
2. A note may be brought upon returning to school by a parent or guardian stating the date(s) of school missed and the reason for the absence. A doctor or dentist note cannot excuse a student it can only verify that the student was out for that time frame.
3. **Absences must be excused within 48 hours or they will be marked UNX and will not change without physician’s documentation or approval from the grade level administrator.**

**PRE-ARRANGED ABSENCES**

A pre-arranged absence must be requested by parents/guardians and should be submitted at least 2-3 days in advance via a note or phone call. In emergencies, parents should notify the school by phone indicating the reason for the pending absence.

- Pre-arranged excuse forms are available in the Attendance Office.
- Students should get a pre-arranged excuse form if they will be out of town/country, on a college visit, or any reason that the student would miss at least one full day that is not listed under the EXC reasons above.
- Students must get a signature from a school administrator, all teachers and the homework that they will miss.
- The form is returned to the Attendance Office before the date of the absence where it is put into the student’s file.

The parents and the student thus bear the responsibility of any possible adverse effects of the student’s absence. A teacher’s signature merely indicates knowledge of the absence, not necessarily approval.

*The school retains the right to not excuse any pre-arranged absences.*
STUDENT RELEASE FOR APPOINTMENT

An appointment, or “blue” slip, allows students to leave campus during the school day. These may be obtained through the Attendance Office.

APPOINTMENT PROCEDURES ARE AS FOLLOWS:

1. Appointment slips (blue slips) are issued through the Attendance Office. A parent/guardian must call beforehand to request a blue slip. Approval must come from one of the following: Principal, Assistant Principal, Attendance Secretary or Health Assistant.
2. Students are to return the signed slip to the Attendance Office.
3. Students are to “sign out” in the Attendance Office before they leave and “sign in” when they return.
4. In case of serious illness or emergency, a student would be exempt from obtaining teachers’ signatures.

Teachers do not have the authority to release students to leave campus. Arrangements MUST be made through the Attendance Office.

STUDENT RELEASE FOR ILLNESS

If a student becomes ill while at school, the student must see the nurse or health assistant to contact a parent for the student to be released.

TARDY POLICY

Actual Policy:

1. Students who are tardy are NOT to be admitted to the classroom without a pass from the tardy kiosk. The tardy kiosk will change a student originally marked absent to tardy in Synergy. Before submitting attendance, teachers need to check to make sure anyone who shows up tardy actually made it to class. If not, please try to override in Synergy or send name to Meagan/Sherrie to mark absent.
2. Students are tardy for up to 20 minutes. After 20 minutes, the student is considered absent.
3. If you are meeting with a student and hold that student over which makes a student late to their next class, write the pass as usual, but tell that student to go to Meagan to get the tardy excused and an official pass from the tardy kiosk.
4. Workplace Skills will be assessed using the D51 Secondary Learner Rubric. Attendance and punctuality are implicitly addressed in this rubric. Teachers will assign one grade weekly based on the student’s performance that week. This grade will be 5-10% of their final grade.
5. If a student is tardy, no hall passes to leave the room.
6. 3 UNX Tardies = 1 UNX Absence. (Consequences of UNX absences will apply.) See the ATTENDANCE POLICY
7. When students hit the 4th Tardy, they will be called down to administration and assigned detention. This will repeat every 4 Tardies. Failure to complete assigned detentions will result in ½ day ISS or Saturday School.

Consequences:

1. Students with 3 UNX tardies will receive 1 UNX absence which counts toward the 6 UNX absences.
2. When a student accumulates 6 UNX absences via tardies, teachers need to notify parents through email or phone call and refer the student to grade level administrators.
3. Grade level principal will assign consequences such as detentions or ISS. Saturday School or ISS would be a consequence for a student who does not attend the detentions.
HOMEWORK MAKE-UP POLICY
Arrangements for any missed work should be made by the student or parent/guardian via email through ParentVue or StudentVue. If you have been out for more than a week and have not heard from any teachers please contact the Attendance Office to put in a hand written request. Students missing for a planned medical absence need to have parents/guardians call in advance to excuse their absence. Students need to obtain their work themselves before the absence occurs. If you do not have access to ParentVue please contact the Attendance Office. Teachers are not required to provide make-up work for students whose absences have not been excused. As Board policy states, two days for each day absent is enough time for make-up work (i.e. work missed on Monday should be turned in by Wednesday) however, there may be circumstances in specific classes where this is not possible. It is important that teachers are made aware of extenuating circumstances.

Students under suspension will have homework requested by the administrator who assigned the suspension. All homework communications will be submitted electronically. Students may receive credit for work completed. The goal is to provide the student an opportunity to keep up with the class and an incentive to attend school.

LEAVING THE CLASSROOM POLICY/HALL PASSES

- Students are only allowed to leave the class one time per period and no longer than 5 minutes.
- Students leave the classroom one at a time.
- No passes granted to leave the room during the first 15 minutes of class or the last 15 minutes of class.
- Teachers may ask students to leave their phones in the classroom; this rule is recommended, but not required. Should a student be required to leave a cell phone in a classroom, make sure the cell phone is in a secured location.
- Students are never to be dismissed early. PE students who are finished early to dress out need to return to the gym or the PE teacher’s designated meeting place.
- All students must have a sticker on their IDs to designate that they have either a release (one color) or Career Center/WCCC another color.
- No students are to be released from class without a hall pass.
- Any student at any time must produce an ID with a sticker or a hall pass. Otherwise, they will be escorted back to class or taken down to the office.
- Students with a release may be in the library, cafeteria, or off campus only.
- No students are allowed to travel to other teachers during advisory for any reason. Consider advisory recommendations this year:
  There is no flex day
  Monday-Principal’s post, circle up-the only potential day for work
  Tuesday-One on One Conferencing
  Wednesday-Supposed to be the only lesson day
  Thursday-Access
  Friday-Club Days, Assemblies, Tribal Challenges, Fun Day-Could potentially be an academic day
- Students who are out of the classroom longer than 10 minutes and cannot account for their location, leave the room without permission, or who do not return after leaving will incur the consequence of an UNX absence and will be a Level 2 discipline infraction.

**SEXUAL HARASSMENT (REFER TO SCHOOL BOARD POLICY JBB)**

Central High School has a legitimate and compelling interest in prohibiting sexual harassment. Further, the institution has an obligation to discipline those who do engage in sexually harassing behavior. Central must strive to balance the interests of those making sexual harassment complaints and those accused of sexually harassing behavior.

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of educational opportunity; (2) submission to or rejection of such conduct by an individual is used as the basis for educational decisions affecting such individuals; or (3) such conduct has the purpose or effect of substantially interfering with an individual’s learning environment. Sexual harassment as defined herein cannot and will not be tolerated. If violations occur, disciplinary action will be taken.
**DRESS CODE**

The goal of CHS is to balance the need for individual expression with an atmosphere conducive to learning in a School of Excellence. Students are expected to be able to produce their student I.D. badge, dress appropriately and groom themselves for school and activities in a way that promotes personal, school and community pride. Therefore, student dress and appearance shall not be hazardous to the health or safety of anyone in the school community, nor shall it have a negative effect on, or be disruptive to, the educational process.

Clothing may not display images associated with hate speech, inappropriate language, weapons, advertise alcohol, tobacco or drugs, and/or degrade any race, creed, sexual orientation, or gender. It is also inappropriate to display any gang colors, tags or paraphernalia that could be designated as gang related.

**Consequences:** The Central High School staff and administration reserve the right to require that any student modify their dress if it is deemed unprofessional for the workplace (i.e. school is your workplace.) A student who fails to correct the problem may be sent home and/or suspended for insubordination.

**DANCE EXPECTATIONS**

Dances are a privilege for students who follow the Way of the Warrior by showing their RED. **Only students who meet the three standards outlined here will be able to attend:** 75% attendance overall, meet CHSAA eligibility standards (passing 80% of classes and not more than 1 F), no significant or recurring disciplinary referrals. Notification efforts will be made the Wednesday prior to the dance if they will not be allowed to attend. Central High School reserves the right to deny dance admission to any student who exhibits behavior and or attitude deemed detrimental to the safety or well-being of others. **Face to Face Dancing is expected at all times.**

*In an effort to keep dances safe for everyone, Central High School partners with the Mesa County Sheriff’s Department utilizing alcohol detection breathalyzers. Breathalyzer tests are administered randomly and students are required to comply. Students who refuse to comply will not be allowed to attend. If the breathalyzer detects the presence of alcohol, standard discipline procedures for school activities will be followed. Similarly, any reasonable suspicion off any substance use will be subject to normal school procedures, including searches.*

**DRESS CODE FOR DANCES**

VISITORS
All visitors, including parents must check in with the Main Office with a valid State Issued ID. Unauthorized visitors are considered to be loitering and face a misdemeanor charge of trespassing and a fine. Students not enrolled at CHS are not permitted on campus during the instructional day and may not attend classes with CHS students. Visitors must check-in at the Main Office, show proper identification and wear name tags that identify them as visitors.

ELECTRONIC GADGETRY
Laser pointers, radios, personal music devices, video cameras, etc. are not to be used at school due to the distractions they may include and the possible safety issues they present. Teachers and/or administrators may confiscate electronics at any time if they represent a distraction or interfere with the normal classroom function or environment. CHS is not responsible for lost or stolen property.

CELL PHONES
Cell phones should be turned off during the instructional day (7:25 AM-2:50 PM) and placed in an appropriate out of the way location. CENTRAL HIGH SCHOOL RECOMMENDS NOT BRINGING CELL PHONES TO SCHOOL. CENTRAL HIGH SCHOOL IS NOT RESPONSIBLE FOR CELL PHONE LOSS OR THEFT.

Please note, cell phone usage will be deemed appropriate based upon individual classroom policies. Staff members may have appropriate places to store cell phones in their classrooms and students are required to store cell phones in the secure location per teacher request. Staff members have the right to confiscate the phone, turn it into the appropriate grade level administrator and formalize an office referral for misuse. Should students use camera devices, text messaging, or any other kind of information sharing or delivery to commit academic fraud, compromise an individual’s right to privacy, or any other inappropriate use, the student will be disciplined through normal and appropriate channels according to the severity of the infraction.

PERSONAL SAFETY DEVICES
Central High School works very hard to provide a safe, secure learning and working environment for its students. With that philosophy in mind, our goal is to eliminate the need or practice of students to carry “personal safety devices” during the school day. The accidental or intentional use of or discharge of any such device (i.e., pepper spray, mace, tear gas) can be extremely disruptive to the overall school environment and can be detrimental to the health and welfare of persons exposed to those elements. As such, these items are prohibited on CHS school campus and events.

SKATEBOARDS/ROLLER BLADES/ROLLER SHOES
Skateboards, roller blades, and roller shoes may be used only to and from school and should be placed in a locker when school is in session. Skateboards/roller blades/roller shoes are not to be used on school grounds. The school is not responsible for injuries caused by skateboarding/rollerblading/roller shoes or for theft or damage to skateboards/roller blades/roller shoes. Misuse of skateboards/roller blades/roller shoes may result in these items being confiscated and loss of a school privilege.

HALL PASSES
Students must carry their teacher-approved pass and their I.D. badge to be out of class during the class period. Students can expect to be asked for a hall pass by any school employee. Misuse of a pass will result in loss of the pass privilege and possible detention or other action.
LOCKERS
Locker use is optional for students. It is each student’s responsibility to keep the locker orderly and clean. No stickers shall be placed on the inside or outside of the locker. Hall and P.E. lockers are the property of the school and may be checked at any time. SCHOOL LOCKERS ARE NOT A PLACE TO STORE VALUABLES OR CASH. This includes PE Locker Rooms. Please do not bring these items to school. When placing items in a locker, please make sure to use a lock to secure items. PE and Athletic locker rooms are limited to students currently enrolled in PE classes or during the season of participation for a sport. CHS does not condone the sharing of lockers with students who are not assigned to that locker as well.

CHS IS NOT RESPONSIBLE FOR LOSS/THEFT OF ITEMS STORED IN LOCKERS.

A $10 fee may be assessed at the close of school if the locker is damaged or not checked out by a school official.

LOST AND FOUND
Lost and found items are located in the library, cafeteria, and the Main Office.

TEXT BOOKS and CHROMEBOOKS
Books and/or chromebooks that are checked out to students are the responsibility of the student. Students are responsible for replacing books or chromebooks that are lost or damaged.

DISCIPLINE PROCEDURES:
1. Students will be informed of any violations charged against them and will be given the opportunity to explain their behavior in the situation.
2. The situation and details of the action taken (if complete at this time) will be documented.
3. Parents/guardians will be informed of the situation.
4. The nature and extent of the involvement during the misbehavior will determine the action to be taken.

EXPULSION is the maximum penalty for a disciplinary violation. A student who is expelled shall not attend any school or alternative instructional program within The Mesa County Valley School District for the duration of the expulsion.
INTERVIEWS AND SEARCHES

Consistent with Board of Education policy, (JIH), searches may be conducted by a school official who has reasonable grounds for suspecting that a search will turn up evidence that the student has violated either the law or Board policy. When reasonable grounds for a search exist, school personnel may search a student and/or his/her property while on school premises or during a school activity under the circumstances outlined in this policy and may seize any illegal, unauthorized or contraband materials. Whenever possible, the student shall be informed of the reason(s) for conducting the search and the student’s permission to perform the search shall be requested. A student’s failure to cooperate with school officials conducting a search shall be considered grounds for disciplinary action. School lockers, desks and other storage areas are school property and remain at all times under the control of the school. Vehicles found on school property are considered open to search under provisions of “reasonable suspicion”. School property provided for the use of students is subject to inspection, access for maintenance and search pursuant to this policy.

Please Note: Students are responsible for the lockers they are issued at the start of the school year regardless of where they keep their belongings. Students should not share their locker combinations with anyone. Central High School is not responsible for lost or stolen items from a locker.

Every effort will be made to respect the student’s personal dignity. Searches shall be conducted out of the presence of other students and as privately as possible. Search of the person shall be limited to the student’s pockets, shoes, any object in the student’s possession such as a purse or briefcase, backpack and/or a “pat down” of the exterior of the student’s clothing.

REASONABLE SUSPICION

“Reasonable suspicion” is the standard for a search on school property or at school activities carried out by school authorities. Reasonable suspicion should be based on facts provided by a reliable informant or personal observation which cause the school official to believe, based on his/her own experience, that search of a particular person, place or thing would lead to the discovery of evidence of a violation of Board Policy or state laws.

The handling of discipline cases at Central High School is directed to the end of developing the best possible solution for the individual pupil while at the same time protecting the rights of the total student group in a particular class. Student behavior will always be compatible with the philosophy, beliefs, and objectives of the school.

SEIZURE OF ITEMS

Anything found in the course of a search conducted by school officials which is evidence of a violation of law, Board Policy, school rules, or which by its presence constitutes an immediate danger of physical harm may be:

1. Seized and offered as evidence in any suspension or expulsion proceeding if it is tagged for identification at the time it is seized. Such material shall be kept in a secure place by the principal until it is presented at the hearing.
2. Returned to the student or his parent or guardian.
3. Turned over to any law enforcement officer in accordance with this policy.

Semester Eligibility Checks
Students must be enrolled in at least 3.0 Carnegie Units in any semester and pass a minimum of 2.5 Carnegie Units while not failing more than 0.5 Carnegie Units. Students that do not meet these requirements will be considered ineligible for the following semester. Students can make up failed classes in the same subject area from 3rd & 4th quarters over the summer to participate in athletics. Final grades from the summer are due to the high school the Thursday prior to Labor Day. Students who have not met the academic requirements at the close of a semester (or from the summer) may regain academic eligibility on the sixth Thursday following Labor Day for the first semester and on the Friday immediately prior to March 10th for the second semester by having passing grades in ALL enrolled classes. Please note that all incoming freshman start high school with full eligibility the fall of their first semester.

Weekly Eligibility Checks
Weekly grade checks will be completed by the building Athletic Director from teacher grades on ParentVUE. Students who are failing more than 1 class on a weekly eligibility check will be deemed ineligible. Students that are ineligible will not be allowed to participate, be in uniform, or travel in contests Tuesday-Saturday of that week. Please note that individual programs/schools may have stricter weekly eligibility standards.

EXTRA-CURRICULAR/CO-CURRICULAR ACTIVITIES
Participation is a privilege, not a right. Students will be expected to meet all requirements set by sponsors of these activities. Participation in selected activities may be forfeited for academic ineligibility, attendance ineligibility, or behavioral/disciplinary issues.

Athletic/Activity Daily School Attendance
1) The student must be in attendance for his/her scheduled classes on the day of a contest or on the day before a contest held on a Saturday or on a holiday. Extenuating circumstances must be approved by the Athletic Director, Assistant Principal or Principal.
2) Any absence due to illness must be approved by the Athletic Director, Asst. Principal or Principal in order for the student to participate in a contest that day. General rule: Students must be in attendance for a minimum of the afternoon classes in order to participate with an illness.
3) Students missing school due to athletics or other extra-curricular activities are responsible for any work missed during their absence. Students who have assignments due on a day of an athletic absence are expected to turn in due assignments prior to leaving for school activity.
4) Students that have unexcused/non-parent verified absences will not practice if absence happens on a practice day and will not participate in contest if unexcused absence happens on the day of a game or on the day before a contest on a non-school day (any unexcused absence on a given day = 1 missed practice or game). Please note: an unexcused/non-parent verified absence may be discovered a following day and removal from participation may happen at that time.

ATHLETE CODE OF CONDUCT
1) Student eligibility will be governed by rules set forth by the Colorado High School Activities Association (CHSAA), the Southwestern League and School District #51.
2) Students and their parents must sign a School District 51 and Central High School Training Rules Contract.
3) The student should conduct himself/herself in a manner that reflects positively on Central High School.
4) Current grades will be checked weekly.
5) Sportsmanship is expected of every student participating in a Central High School athletic program.
