HIGH ROCK and POLLARD LATE BUS

Beginning September 20th, 2022 we will be offering a late bus for students at the High Rock and Pollard Schools. The bus will operate on Tuesday, Wednesday, and Thursday only. The bus will not operate on days that have an early release. The bus will depart from High Rock at approximately 2:50pm and approximately 3:00pm from Pollard. We expect the route to be completed by 4:00pm

Because there is only one late bus, the bus will service the entire town. In order to do this effectively, the bus will only stop at specific bus stops (listed below). This will mean that if your child is riding the late bus, it is HIGHLY likely that they will not be dropped off at their usual bus stop. They may need to walk a bit further and possibly cross streets to get home. **It is imperative that you go over this with your child prior to them riding the late bus.**

In order to participate in this program, students need to meet the following requirements:

- The student MUST have an active bus pass, AND they must have it with them
- The student must be staying after for extra help
- The student must live in Needham
- The student must know what stop they are to get off at on the late bus route (remember that the student is most likely not getting off at their usual stop)

Space is limited to approximately 55 seats.

Please note that this is a privilege, and all bus rules apply. If the student is unable to follow the bus rules, they will not be permitted on the late bus again.

The bus stops are listed below in order.
