As always, if you have questions or need additional information, please reach out to us at the D51 Medical Plan is changing January 2023! understanding the changes being made to our benefits. You and your families. Below, you will find some helpful information regarding benefit opportunities.

Open enrollment for 2023 benefits has officially opened. We want our staff to be equipped with as much information as possible, in order to make the best decision for you and your families. Below, you will find some helpful information regarding benefit opportunities.

To find out more about the meeting this week you can watch it by clicking on this link. Excited to see how they do. Join me in wishing our student athletes good luck as we cheer them on and support them through to the end. Our Fruita Monument Wildcat softball team is headed to State this weekend! Last game was played last night, and the Wildcats brought it home in an 8-3 win. Our riders will have some healthy competition as they take on riders at State, and we’re ready to see what they can do. Congratulations to our seniors on their dedication and commitment to the sport of softball. Our riders will have some healthy competition as they take on riders at State, and we’re ready to see what they can do. Congratulations to our seniors on their dedication and commitment to the sport of softball. The 2022 CO ASSOCIATION OF SCIENCE TEACHERS, TEACHING AWARD has been awarded to Ms. Henrickson for her continued dedication to the students and staff of D51. She has been with the D51 Family for 17 years, and is currently a 6th-grade Science teacher at Fruita Monument Middle School. Ms. Henrickson demonstrates exemplary leadership and knowledge in the science field. TheInside Life of the Teenage Mind. Shows are being held October 28 at 7 p.m. and October 29 at 7 p.m. Click here for more information. Next week, our Grand Junction HS Performing Arts Department will present Brainstorm: How Much Is Enough?a dynamic and thought-provoking show that explores the themes of consumerism and its impact on our lives today. The show will be presented at 7 p.m. on October 29. Get out and support our D51 performing arts students. They work so hard and put on great shows. It is an exciting time in the district right now. It is also a very busy time, and it is important that in the middle of all of the hustle and bustle we remember why we do what we do… and that is supporting and celebrating our students. I value every chance I get to directly from D51 students about what’s working well, what needs improvement, and what changes we can make to better support our students.

One of the goals in my 100 Day Plan was to create a Superintendent Student Advisory Group. Instead of asking students to travel to a centralized location after school, when they are busy with extracurricular activities, work, etc., I have decided to meet the Group. This week, I was able to meet with a group of about 10 students to represent their schools. I also requested the group be a diverse representation of their student body. This week, I was able to meet with two of my Superintendent Student Advisory Groups (PHS & FMHS), and I look forward to meeting more representations of our student body. This week, I was able to meet with two of my Superintendent Student Advisory Groups (PHS & FMHS), and I look forward to meeting more representations of our student body.

Throughout the year, students have been meeting with their student advisory groups. The groups have been discussing school policies, participation in decision making, and overall district planning. The groups have been working on the following topics:

Your feedback is important to me, and I value the opportunity to connect with our students each week. As always, if you have questions or need additional information, please reach out to us at the D51 Medical Plan is changing January 2023! understanding the changes being made to our benefits.
