Dear D51 Families and Colleagues:

In early December, Andrea Haitz, President of the District 51 Board of Education, was elected to the Colorado Association of School Boards (CASB) board of directors as the Region 10 Representative. It is a tremendous accomplishment that President Haitz will represent the interests of school boards across the state. Please join me in congratulating her on this recognition.

President Haitz was already a member of the CASB board of directors from her role as a Colorado State Board of Education member. Her work on the board reflects her dedication to the state’s education system and her commitment to ensuring that students have every opportunity to succeed.

CASB is governed by a 23-member board comprised of representatives from school boards across the state. They work to cultivate relationships with dozens of governing bodies and other education stakeholders at the state and national levels to ensure a unified and effective voice and influence on relevant policies.

We appreciate President Haitz for achieving this accomplishment. Congratulations to President Haitz on being elected the Region 10 Representative.

As Board President, I will be joined in my work by Board Members John Henry, Dr. Brian Hill, andbird, who will be joining the Board this month in their new role as Board Members. Please join me in welcoming them to the Board as we work together to make a positive impact in the District.

As we move into the new year, we will continue to focus on the success and well-being of our students. Our students are working hard, excelling in school, and planning for the future. They need us to be there for them as they work toward their goals.

I urge all parents, students, and staff to continue to support our students as they make their way to graduation. We want to see each student succeed, not just academically, but also in their personal growth and development.

Please continue to be watchful for upcoming events and opportunities. I will keep you informed of important dates and deadlines to help you ensure that our students are ready for success.

Thank you for your continued support. Together, we will make a difference in the lives of our students.

Sincerely,

[Your Name]
