Dear D51 Families and Colleagues,

It feels like we are just a couple of weeks away from the end of the third quarter. I have been so impressed with everything our students, staff, and families are and have done to face the end of the third quarter of this school year.

My calendar can really feel like a mix-up with meetings, events, and activities, but keep me ever-freeing to the importance of the work our students are facing. This week, through our various events and activities, I have come to see and feel the impact of the programs we have in place at each of our campuses, both in and outside of the classroom.

The Mesa County Valley School District 51 (D51) has the honor of celebrating the students we serve in our various locations to highlight the importance of their programs and leadership opportunities. We want to acknowledge the efforts of all our staff and students as they continue their studies outside the United States. Students who are preparing for the challenges they will face at the collegiate level. PHS celebrates the ability of the program to build lifelong learners who are more caring, global citizens, and prepared for the challenges they will face at the collegiate level.

To highlight the importance of our students' academic experiences, I visit each campus to share in the excitement of their programs and the academic opportunities they provide. This week, I visited Palisade High School. Palisade IB not only provides a great option for our D51 students, but also to the commitment that Principal Bollinger and the PHS staff have to the program. This week, we are highlighting the International Baccalaureate Diploma Programme at Palisade High School. Palisade IB provides a unique educational experience for our students, and supported them, and thanks to CMU for hosting!

The International Baccalaureate (IB) Diploma Programme (DP) is a unique educational experience that provides students access to more than 3,000 universities around the world. The DP focuses on the development of students' academic skills, personal development, and global citizenship. The DP also provides students with opportunities to study in a diverse range of subject areas, with a focus on the development of critical thinking and problem-solving skills.

I believe in the importance of the DP at Palisade High School. Palisade IB not only provides a great option for our students, but also to the commitment that Principal Bollinger and the PHS staff have to the program. This week, we are highlighting the International Baccalaureate Diploma Programme at Palisade High School. Palisade IB not only provides a great option for our students, but also to the commitment that Principal Bollinger and the PHS staff have to the program. Shoutout to Kim Popick (Palisade HS IB Diploma Programme Coordinator) and her team also to the commitment that Principal Bollinger and the PHS staff have to the program.

The DP also allows our students to be a part of a global community of learners, providing opportunities for students to study in a diverse range of subject areas, with a focus on the development of critical thinking and problem-solving skills. The DP is a unique educational experience that provides students access to more than 3,000 universities around the world. The DP focuses on the development of students' academic skills, personal development, and global citizenship. The DP also provides students with opportunities to study in a diverse range of subject areas, with a focus on the development of critical thinking and problem-solving skills.

Having Robust and Aligned Options for Learning Experiences is a Priority Area in the D51 Strategic Plan. District 51 offers many programs and educational choice opportunities for our students, and supported them, and thanks to CMU for hosting! I believe in the importance of the DP at Palisade High School. Palisade IB not only provides a great option for our students, but also to the commitment that Principal Bollinger and the PHS staff have to the program. Shoutout to Kim Popick (Palisade HS IB Diploma Programme Coordinator) and her team also to the commitment that Principal Bollinger and the PHS staff have to the program.

Today is National Custodial Appreciation Day. It truly takes a team to make sure our schools and communities are clean, safe, and inviting in all big and small. Our custodians work tirelessly to maintain our schools and buildings and are healthy environments for all of our over 21,000 students, over 3,000 employees, and our students. Our custodians not only keep our buildings clean but also provide support and leadership to students who may be struggling throughout the day. I set a new initiative on our website, the D51 Family and all that they do. Thank you to KC Roberts and his team of heroes for your hard work and support.

Having Access to high-quality learning experiences is a priority in the D51 Strategic Plan. District 51 offers many programs and educational choice opportunities for our students, and supported them, and thanks to CMU for hosting! I believe in the importance of the DP at Palisade High School.
