**AGENDA ITEMS**

**SPECIAL MEETING**

1. Call to Order/Pledge of Allegiance/Roll Call
2. Agenda Approval
3. Resolution to Negotiate a Single Plan Insurance Option with Monument Health
   - Mrs. Melanie Trujillo, Chief Financial Officer, Ms. Nikki Jost, Executive Director of Human Resources, Mrs. Lynnette Siedschlaw, Benefits Manager, and Mr. Rob Henderson NOVO Benefits Representative, answered question regarding cost comparison if going with a single provider plan versus a dual plan. Information shared noted:
   - The District would be able to bring reserves back to the desired level one to two years sooner if going with a single provider plan.
   - Under a single provider plan savings in employee premiums would be around $400 per year for the employee, around $2,000 per year for a single parent with children, and around $3,500 per year for a family.
   - The system would offer two tiers, one tier for employees using services within Monument Health and a second tier for those using services outside of Monument Health.
   - Employees would be able to keep their same physician. For employees with physicians outside of Monument Health, Monument Health would work with them to find a physician within their system if requested.
   - Exact cost of premiums, deductibles and total out-of-pocket expenses will be determined during negotiations.
