Academic Dishonesty Policy

Plagiarism is the practice of taking someone else's work or ideas and passing them off as one's own. This happens most often when students rush to get something done or do not ask for help. HHS teachers and staff talk to all students about plagiarism multiple times during the year, yet it continues to be a problem.

Equal Educational Opportunity

Equity and Diversity Policy

Gender Inclusion Policy

National Honors Society (NHS)

HHS has maintained its commitment to this nationally recognized high school program. NHS seeks to recognize students for their leadership, character, service, and scholarship. Visit <https://www.nhs.us/> to find out more information or click on the link title above to find out about the HHS NHS program.

Student Discipline

The purpose of this policy is to ensure that students are aware of and comply with the school district's expectations for student conduct. Such compliance will enhance the school district's ability to maintain discipline and ensure that there is no interference with the educational process. The school district will take appropriate disciplinary action when students fail to adhere to the Code of Student Conduct established by this policy. Students must conduct themselves in an appropriate manner that maintains a climate in which learning can take place.

District #200 Internet Acceptable Use and Safety Policy Student Device

HHS Student Device and Tech Use Agreement Form:

In general, activities that are considered to be inappropriate without the use of electronic technologies are also considered to be inappropriate using such technologies. The following are not acceptable uses of the School District Internet access, network and computer access, and electronic communications systems and may be subject to disciplinary action. The access, review, uploading or downloading, storage, printing, posting, or distribution of pornographic, obscene or sexually explicit materials or other visual depictions that are inappropriate for a school setting. The transmission of obscene, abusive, profane, lewd, vulgar, rude, inflammatory, threatening, disrespectful, or sexually explicit language. The access, review, uploading or downloading, storage, printing, posting, or distribution of materials that use language or images that are inappropriate to the educational setting or disruptive to the educational or organizational processes. Knowingly or recklessly posting materials or information that could cause damage or disruption to the School District's learning or work environment(s). The access, review, uploading or downloading, storage, printing, posting, or distribution of materials that advocate violence or discrimination toward other people or that may constitute harassment or discrimination. Knowingly or recklessly posting false or defamatory information about a person or organization, harassing another individual, or engaging in personal attacks, including those of a discriminatory or prejudicial nature. Engaging in any illegal act or violating any ordinance, statute or law. Vandalizing, damaging, or disabling the property of another person, the School District, or another organization or agency; engaging in deliberate attempts to degrade or disrupt the operation of equipment, software, or system performance by any means; tampering with, modifying, or changing the School District software, hardware, or wiring; taking any action that violates the School District's security systems or using School District resources in any way that disrupts, or has the potential to disrupt, access for other users. Gaining unauthorized access to information resources or to another person's materials, information, or files without the implied or direct permission of the individual. The posting or transmitting, without express permission, of private information or personal contact information about other persons, or other personally identifiable information, including but not limited to: home addresses, telephone numbers, identification numbers, account numbers, access codes or passwords, labeled photographs or other information that would make an individual's identity easily traceable. Attempting to gain unauthorized access to the School District's systems or to any other systems through the School District's system; attempting to log in through another person's account; using, without express permission, computer accounts, access codes or network identifications other than those assigned to the user. Violating copyright laws or licensing agreements or otherwise using another person's property without prior approval or proper citation, including downloading or exchanging pirated software, copying illegal software to/from any School District computer, plagiarizing works found on the internet or violating School District institutional licensing agreements.
